The squares widths vary depending on the design and size of the chosen door.

Panoramic, Orion and Types of Glass windows can only be installed in the top section. Panoramic window frames are not insulated and are made from extruded aluminum that is always finished in white on the interior of the section. From the outside, the extrusion will be hidden by the decorative overlays.

¹ Only available for Princeton P-31 layout.
 ² Not available for Cambridge CM and CS layouts.
 ³ Not available for Cambridge and Princeton layouts.
 ⁴ Clear 40" x 13" thermopane glass is also available with the Low-E Argon energy option.
